The idea behind the FaceBook page is to facilitate information sharing between the residents to increase safety and security in the neighborhood. For example – if a resident sees a suspicious vehicle or a suspicious person in the neighborhood, he could take a picture and post it on the FaceBook page, making information sharing much easier and quicker.
 - a. Sangeeta is going to create a FaceBook account and send out invites to the residents.
6. Board was delegated the work to solicit signatures for voting proxy. We still need 6 votes to update the CC&R.
7. Decided to hold the neighborhood barbeque on July 15, 2012.
8. Board authorized up to \$150 for Bill to buy a receipt scanner.
